Let's make it happen. I think we can make the 12th work. Look forward to it.

Thank you for the introduction and I would greatly appreciate the opportunity to discuss a couple of issues that are very important to our district. We are blessed to be home to the Blackwater National Wildlife Refuge and I feel that there are some local perspectives that might helpful to the Department.

We have a terrific team at the Refuge and a strong group of supporting volunteers -- I cannot say enough good things about the work that is being done at the Refuge.

If possible the morning of December 12 appears to be a good time for us to schedule a meeting? We shouldn't need more than 30 minutes and it might be of interest to know that I recently met Marshal Critchfield at the Waterfowl Festival in Easton, Maryland.

Also, to make the meeting more productive, I'm happy to do a staff call to help prepare the issues.

This is my personal email, my personal phone is (b)(6) - please feel free to email or call.

Scott: Let me introduce you to John Mautz the Maryland House delegate Member from the Eastern shore representing 4 Counties and his COS Michael Kiko. John and Michael, Let me introduce you to Scott Hommel, COS to the Secretary of Interior. Scott when we met recently I discussed the possibility of meeting with you and John and Michael. As a follow up they would like to meet with you sometime in the next couple of weeks. I believe there would be excellent synergy with the three of you and it would be of mutual benefit to all. John and Michael have extensive public policy experience and there are issues on the eastern shore they would like to bring to your attention. Hope all is well and I leave it up to all of you to connect. Respectfully Phil Kiko
